REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Board of Directors of
Teach For All, Inc.:

We have audited the accompanying financial statements of Teach For All, Inc. (“Teach For All”), which comprise the statements of financial position as of September 30, 2014 and 2013, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management’s responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to Teach For All’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Teach For All’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Teach For All, Inc. as of September 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. ORGANIZATION AND NATURE OF OPERATIONS

Teach For All, Inc. (“Teach For All”) is a global network of over 30 independent, locally led and funded partner organizations with a shared vision for expanded educational opportunity in their countries. Each partner recruits and develops diverse individuals from a range of academic disciplines to commit two years to teach in high need classrooms and to work throughout their lives, both within and outside of education, in pursuit of expanded opportunity for children. Teach For All works to accelerate partners’ progress and increase their impact by providing direct support, facilitating connections across the network, accessing global resources for the benefit of the whole, and fostering the leadership development of staff, teachers, and alumni.

Teach For All was incorporated in the State of New York on February 29, 2008 and, is exempt from corporate federal income tax under Section 501(c)(3) of the Internal Revenue Code and similar state provisions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“US GAAP”), as applicable to not-for-profit organizations.

Net assets are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Teach For All and changes therein are classified and reported as follows:

Unrestricted - Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted - Net assets subject to donor-imposed stipulations that expire with the passage of time or can be fulfilled by the actions of Teach For All, pursuant to those stipulations (Note 6).

Permanently restricted - Net assets subject to donor-imposed stipulations that require resources to be maintained as funds of a permanent duration. The income derived from permanently restricted net assets may be available for general or specific purposes, as stipulated by the respective donors. As of September 30, 2014 and 2013, Teach For All did not have any permanently restricted net assets.

Revenues are reported as increases in unrestricted net assets unless their use is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains and losses on investments and other assets or liabilities, if any, are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

Functional Allocation of Expenses

The costs of providing Teach For All’s programs and supporting services have been summarized on a functional basis within the accompanying statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

TEACH FOR ALL, INC.
Notes to Financial Statements
For the years ended September 30, 2014 and 2013

The following is a description of Teach For All's programs:

Early Stage Partner Support

Expenditures for Early Stage Partner Support enable Teach For All to respond to interest from social entrepreneurs around the world and help to ensure that future partner organizations lay the necessary foundation to develop into effective and sustainable network partners. Teach For All staff work with social entrepreneurs to evaluate the feasibility of the approach within their country's context, to develop and refine business plans, and to set up the organization for a successful launch by anticipating upcoming challenges. Additionally, Teach For All assists in garnering financial and other support and connects existing and emerging partners with peer programs in their region.

Network Partner Support

Expenditures in the area of Network Partner Support provide ongoing assistance to programs established as Teach For All network partners, to accelerate impact in the areas of scale, network impact and learning, alumni leadership, and organizational strength. Teach For All support for network partners focuses on four areas: identifying effective practices across the network, creating tools and resources, and advising partners in adapting these approaches to their individual contexts; facilitating direct connections for peer-to-peer learning and experience-sharing; accessing global knowledge and resources for the network; and contributing to the leadership development of network staff, alumni and participants.

The focus and delivery method of support differs by partner needs and "life stage." Levels of support include: direct support by representatives of the partner engagement team and functional area specialists; opportunities for leadership development and networking through conferences for partner staff, participants and alumni; and the generation and sharing of global funding, technology, public affairs opportunities, and staffing leads.

Cash and Cash Equivalents

Cash and cash equivalents include cash and short-term investments with original maturities of three months or less.

Contributions

Contributions, including unconditional promises to give, are reported as revenues in the period received or pledged based upon donor restriction, if any. Contributions to be received after one year are discounted using a risk-adjusted rate. Amortization of the discount is recorded as additional contribution revenue in accordance with the donor-imposed restrictions, if any. Contributions of assets other than cash, including goods and services, are recorded at their estimated fair value at the date of contribution. Restricted contributions, received and utilized in the same year, are presented in the statements of activities as unrestricted contributions and support.

Contributed Services

Certain donated professional services have been recognized in the accompanying financial statements based on the estimated fair value for such services on the date received, in accordance with the criteria for recognition under US GAAP (Note 7).

TEACH FOR ALL, INC.
Notes to Financial Statements
For the years ended September 30, 2014 and 2013

Grants and Contracts

Revenue from grants and contracts is recognized as earned, that is, as related costs are incurred or services rendered under such agreements. Advances or unspent resources received, if any, are recorded as deferred revenue.

Allowances for Doubtful Accounts

Allowances for doubtful accounts are provided based upon management's judgment including such factors as prior collection history and type of receivable. Receivables are written-off when deemed uncollectible. Payments, if any, subsequently received on previously reserved receivables are applied to the allowance for doubtful accounts.

Grants Payable

Grant awards by Teach For All to recipients are recorded as an expense and a liability when approved by the Board of Directors and the respective grantee has been selected and notified. All grants are expected to be paid within one year of award. Rescinded grants are recorded as a reduction to grant expense (Note 8).

Fixed Assets

Computer equipment, software, and other fixed assets, if any, with a unit cost in excess of \$3,500 are recorded at cost and depreciated on a straight-line basis over an estimated useful life ranging from three to five years. Leasehold improvements are amortized over the shorter of their useful life or the respective lease term.

Income Taxes

Teach For All follows guidance that clarifies the accounting for uncertainty in tax positions taken or expected to be taken in a tax return, including issues relating to financial statement recognition and measurement. This standard provides that the tax effects from an uncertain tax position can be recognized in the financial statements only if the position is "more-likely-than-not" to be sustained if the position were to be challenged by a taxing authority. This standard also provides guidance on measurement, classification, interest and penalties, and disclosure, and its adoption had no material impact on the accompanying financial statements. The tax years ended 2011, 2012 and 2013 are still open to audit for both federal and state purposes. Teach For All has processes presently in place to ensure the maintenance of its tax-exempt status; identify and report unrelated income; determine its filing and tax obligations in jurisdictions for which it has nexus; and identify and evaluate other matters that may be considered tax positions.

Concentration of Credit Risk

Financial instruments which potentially subject Teach For All to concentrations of credit risk consist primarily of cash and cash equivalents. Teach For All maintains its cash and cash equivalents with creditworthy, high-quality financial institutions. At certain times, Teach For All's bank balances may exceed federally insured limits. However, Teach For All has not experienced, nor does it anticipate, any losses with respect to such bank balances. Teach For All regularly evaluates its depository arrangements, including performance thereof.

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingencies at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. The more significant estimates include the determination of allowances for doubtful accounts and estimated useful lives of fixed assets. Actual results could differ from those estimates.

3. CONTRIBUTIONS RECEIVABLE, NET

Contributions receivable at September 30, 2014 and 2013, were scheduled to be collected as follows:

	<u>2014</u>	<u>2013</u>
Less than one year	\$ 9,791,257	\$ 5,528,659
One to five years	<u>1,091,666</u>	<u>13,115,068</u>
	10,882,923	18,643,727
Less: discount to present value ranging from 0.33% to 0.63%	<u>(6,822)</u>	<u>(23,232)</u>
	10,876,101	18,620,495

9. RETIREMENT PLAN

Teach For All offers the opportunity to participate in a retirement program to all eligible staff members. Unless otherwise governed by local regulations, staff members who are scheduled to work at least 1,000 hours per year are eligible to participate in a retirement program. A 403(b) retirement plan and a 457(b) deferred compensation plan are offered for eligible US staff and a group pension plan is offered for UK staff; staff members from other locales are offered a comparable retirement plan in line with local regulations, requirements and customs. The 403(b) and group pension plans are defined contribution plans with employer matching contributions. The employer contribution on the US and UK plans is equal to 100% of the employee's contribution up to 6% of their gross earned salary per pay period; matching contributions in other locales are either governed by local regulations or equal to 100% of the employee's contributions up to 6% of their gross earned salary per pay period. Participants become eligible for the employer matching contributions and are fully vested after 12 months of qualified employment. Withdrawal cannot be made without penalty prior to the locally-determined retirement age (59½ and 55 in the United States and United Kingdom, respectively). The 457(b) deferred compensation plan was established to mitigate lost benefits of employer matching contributions that are otherwise excluded from an individual's 403(b) retirement plan based on the IRS earnings limit; these contributions are fully vested immediately and there are two qualifying distribution events: at separation of service, or on April 1st in the calendar year after the participant has turned 70½. Teach For All's matching contributions under all plans totaled \$397,211 and \$337,974 for the years ended September 30, 2014 and 2013, respectively.
